Subject:- Discrepancy in Students record: visibility of a student.

Dear Madam /Sir,

It is with reference to your e-mails, on the subject cited above. In this regard, it is informed that on the website a student’s discrepancy monitoring link has been provided through which a search for a student through University Roll No. can be made. This link will show complete record of the student as filled at the time of online filling of forms. Any discrepancy in the record can be noted. The following discrepancies can be rectified at college end through the login of the Principal.

(i) Change of teacher subject to match with student subject;
(ii) Change the institute of student.

In case of the other discrepancy/discrepancies send the discrepancy in the online Excel Discrepancy Sheet.

With best Regards,
