Registration Format
NATIONAL SEMINAR ON FRONTIERS IN POLYMER SCIENCE - II
(FPS - 2013)
UGC SAP (DRS - II)
(December 12-13, 2013)

Name & Designation:
Institution:
Mailing Address:
Mob. NO.: Fax & E-Mail:

Whether presenting paper: Yes / No
Title of the paper:

Details of Registration Fee:
Draft No. . . . . . . . . . . . Dated: . . . . . . . . . . .

Name (s) and age of the accompanying person:
Accommodation required: Yes / No

Date:
Signature

Completely filled registration form may please be sent by DRAFT DEMAND PAYABLE IN FAVOR OF REGISTRATION SECRETARY, FPS, 2013, payable at SBI Summer Hill Branch Shimla - 17. Students should submit a proof of their being the student duly verified by the competent authority along with the registration form.

Accommodation & Travel:
Participants will be provided accommodation in the University guest house on first come first served basis only for the days of the seminar. No TA/DA would be permissible for the participants. All correspondence in this regard should be addressed to the Organizing Secretary (FPS-2013)

Important Dates and Deadlines:
Last Date for Receipt of Abstracts: Nov 20, 2013
Last Date of Receipt of Registration: Nov 25, 2013

NATIONAL SEMINAR ON FRONTIERS IN POLYMER SCIENCE - II
(FPS - 2013)
(December 12-13, 2013)

Organized under UGC-SAP (DRS - II)
by Department of Chemistry
Himachal Pradesh University
Shimla - 171 005

Institution
Himachal Pradesh University, Shimla is one of the Public Sector Undertaking Universities of Himachal Pradesh. It was established on July 22, 1970. The University is situated at an altitude of around 5650 ft from sea level at a place known as Summer Hill which is at a distance of around 5 km from the city. The campus is nestled amidst the tall and lush green trees of deodar, ced, pine and rhododendrons and the majestic mountain ranges covered with snow peaks adds to the panoramic natural view of the University. Presently, the University has evolved as multifaceted and multidisciplinary educational institution with equal emphasis on research and teaching.

Chemistry Department
The saga of Chemistry Department that began in 1963 as a regional centre of the Punjab University, Chandigarh has reached a momentous stage as a full-fledged Department of the Himchal Pradesh University, Shimla. The Department offers M.Sc., M.Phil. and Ph.D. degrees in chemistry under the Headship of following core specializations: Inorganic, Organic and Physical Chemistry. Department faculty is actively engaged in carrying out sponsored research work with funding from many national funding agencies. The Department has also been benefited from UGC under SAP (Level-I) and DST under FIST (Level-I). Recently, Department has acquired significant new instruments from UGC under Sr.SAP (Level-II).

Shimla
Shimla once declared as the summer capital of British India is the capital city of Himchal Pradesh. It is also noted for its buildings styled in Tudor, Baroque and neo-Gothic architecture dating from the colonial era. Shimla is home to many well-recognized educational and research institutions. Indian Institute of Advanced Studies (IIAS) housed in the Viceregal Lodge is one of the premier institutions for research in humanities, culture, philosophy, religion and social sciences is one of the centres of attraction. Being a hub of India’s tourism sector, Shimla is also one of the preferred residential location in India. Shimla is well connected to rest part of the country by rail, air and by road.

The Seminar
The objective of this two days national seminar, entitled “National Seminar on Frontiers in Polymer Science” is to encourage and stimulate the young researchers to sustain research interest in the development of polymer science. However, chemistry, being a comprehensive subject, the approach of this seminar would be multi-disciplinary by providing opportunities to share knowledge and research activities on various innovative topics of critical significance, especially nanomaterials, catalysis, green chemistry, advanced functional materials, synthesis etc. The seminar will provide an opportunity to the research scholars and industrialists to come together and discuss the state of the art equipments for material characterization. However, the technical sessions of the seminar will include invited lectures oral / poster presentation. Three best papers will also be awarded prizes.

Call for Papers
The participants are requested to submit the abstract (s) maximum of 250 words of their paper(s) typed in MS Word. Times New Roman font size 12 point with 1½ spacing on A4 size bond paper. The abstract should be addressed to Organizing Secretary, FPS-2013 as an attachment on mohindercl1@gmail.com. The name of the presenting author of the poster should be underlined. Poster size should be 1 m x 1 m. Seminar brochure and other information is available on the University website ipuniv.in. The registration Form can also be downloaded from there.

Patron
Prof. A.D.N. Bajpai
Vice-Chancellor

Convenors
Prof. G.S. Chauhan, Prof. S.K. Sharma
Coordinator
UGC-SAP (DRS – II) Department of Chemistry

Organizing Secretary
Prof. M.S. Chauhan

Treasurer
Dr. (Mrs.) S.B. Kalia

National Advisory Committee
Aminabhavi, TR, Dharwad
Badiger, MV, NCL, Pune
Garg, AN, Amity University, Noida
